

UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

KIRK D. WILLIAMS,

Plaintiff,

v.

MCDONALD'S CORPORATION,

Defendant.

No. 2:20-cv-1214 TLN DB PS

ORDER

Plaintiff Kirk Williams is proceeding in this action pro se. This matter was referred to the undersigned in accordance with Local Rule 302(c)(21) and 28 U.S.C. § 636(b)(1). On February 3, 2022, the undersigned filed findings and recommendations recommending that defendant's motion to dismiss be granted and plaintiff's second amended complaint be dismissed without further leave to amend. (ECF No. 45.)

On February 14, 2022, plaintiff filed a request for a sixty-day extension of time to file objections to the findings and recommendations. (ECF No. 46.) Plaintiff seeks an extension of time because plaintiff is currently incarcerated in the Sacramento County Jail and is only allowed "2 hours of physical access to the law library per week." (*Id.* at 2.) Good cause appearing, plaintiff's request will be granted.

However, the undersigned recommended that plaintiff's second amended complaint be dismissed due to a failure to allege factual allegations that stated a claim upon which relief can be

1 granted. (ECF No. 45 at 5.) The factual allegations cannot be found in the law library but instead
2 are known, if at all, to plaintiff. Accordingly, plaintiff will be granted only a thirty-day extension
3 of time.

4 Accordingly, IT IS HEREBY ORDERED that:

5 1. Plaintiff's February 14, 2022 motion for an extension of time (ECF No. 46) is granted;
6 and

7 2. Plaintiff may file objections to the February 3, 2022 findings and recommendations
8 within thirty-days of the date of this order.

9 Dated: February 17, 2022
